

# HABITAT SLEEPERS

**COEN**  
COMPOSITE WOOD

## *Elegant garden spaces*

A rugged product, with modern aesthetics enhancing garden spaces - built to last in the Australian outdoors.

- Suitable for park and garden
- Brushed charcoal finish - Other colours available upon request.
- No maintenance required
- Long life span
- Won't bow, warp or twist
- Resists mould, water and sun
- Termite resistant

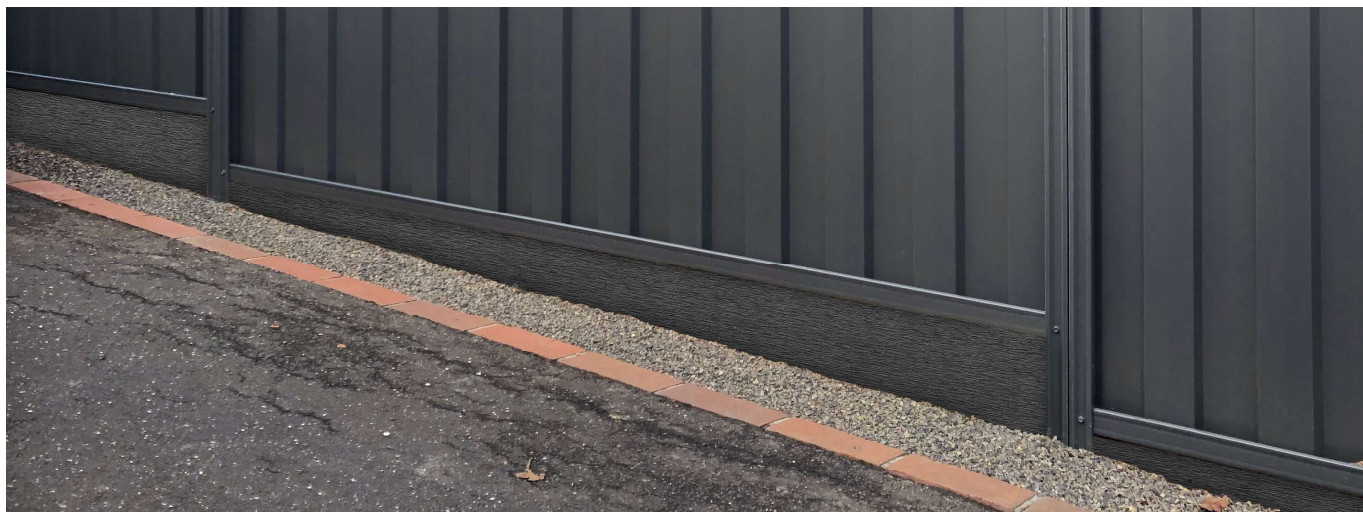

*"We really like the appearance of the COEN Sleepers and they certainly are easy to handle and work with."*

Philip Bradshaw
